WHO WE ARE ?

ONZMAN, established in İzmir in 2011, on the purpose of distributing special materials like chemicals, plastic raw materials, food and food additives. We supply all of the products we trade from our contracted suppliers who are well known throughout Europe, America, Middle East and Turkey.

Over the years, Onzman has taken serious steps by establishing and protecting its perfect business relations which provide internationally leader position over the regions.

Onzman has always been ready to meet the expectations of both sides by improving the long term business relations between suppliers and customers.
